Dear Parents & Students,

Over the last several years we have seen an increasing need for students to integrate **SERVICE** into their daily lives. Many children today often focus on what can be done for them rather than what they can do for others. As part of our Christian formation, students in grades 6, 7, and 8 will be required to share their gifts through service for others.

Service hours are **mandatory** and must be completed in all three categories: Local, School, Home Communities. Students must acquire the minimum number of hours to satisfy the requirements. This is the responsibility of the student, though we ask the parents for support. **Students will RSVP** to the coordinator for service events offered, briefly reflect on the activity and manage their own journal with hours and signatures as required

The service-hour guidelines are listed below:

8th Grade – 40 hours Due: April 4, 2018

20 hours from Community
10 hours from School/Parish
10 hours from Home/Neighborhood

7th Grade – 30 hours Due: April 4, 2018

10 hours from Community
10 hours from School/Parish
10 hours from Home/Neighborhood

6th Grade – 20 hours Due: April 4, 2018

(At least) 5 hours from each category
plus
5 elective hours selected from any category of student's choice

Service will be a strong component of our leadership work, and will be planned during school hours in addition to weekend activities. However, service projects during school hours **MAY NOT** be counted toward hours. We hope that service will become a part of our students' value system, and look forward to working with them on this important endeavor.

Sincerely,
Lynn Brown
