

# Toy Drive

## Giving Children Hope

Your BSS GOTR Girls need your help! We are having a toy drive to help brighten the days of children in the hospital over the holidays! Please consider donating an unopened (unused) toy for the kids! The hospital will happily accept unopened toys, character band aides, stuffed animals, art supplies, and playdough for younger children as well as chapter books, fuzzy socks, and pj bottoms for older children.

Drop boxes will be near the school entrance

**Monday Nov. 27th until Friday, Dec. 8th!**

Please help us make a difference in our community!
