

# Commemorative Brick Order Form

## Blessed Sacrament

### Build Our BSS Legacy

Please fill out the name or phrase you wish to put on your brick. If you print in UPPERCASE or lowercase, the text will be laser engraved in UPPERCASE or lowercase. You may also use numbers for the inscription. Spacing between words is considered a character. Punctuation requires a space. All text will be automatically centered on the brick. **If you choose clipart, the symbol will appear on the left side of the brick and will take up 5 spaces from each row, so you only have 15 spaces per line for text/punctuation/space.** Attached is a form for approved “symbols” that can be engraved. **BRICKS ARE \$125 EACH.**
