

Math Enrichment & Cooking Camp

My name is Mrs. Julia DeLoach, and I taught Math at BSS for 24 years. I will hold a math and cooking camp this summer, emphasis will be placed on repetition of basic math skills especially operations with fractions to 5th graders going into 6th grade. Included will be adding, subtracting, dividing and multiplying positive numbers, fractions, and decimals. We will review all the basic operations of math including measurements (metric and customary units of measure). Attendees will be required to wear masks, and I will enforce strict hand washing. We will distance as much as possible making use of my front porch for instruction.

The camp will be held from Monday through Thursday, June 21-24 from 9:30 AM-12:00 PM.

Cost: \$160.00 per week

Time: 9:30 AM-12:00 PM

Each student will be provided with paper, pencils, and workbooks/worksheets.

To reinforce the “camp” theme, I will teach them to cook a recipe each day. They will receive copies of the recipes we use. This will serve as their snack. We will use the kitchen to implement some math skills such as measuring and proportions.

Any question? Please contact me, Mrs. Julia DeLoach (663-3082)

They will leave with not only math skills; but also, a few cooking skills. It should be fun!

To reserve a spot, please send in a non-refundable deposit of \$25.00 for the week and fill out the attached form. Keep this first page for your reminder.

Class size limited to 10 students. I cannot take more than 10!

Location: my home: 5 Shipyard Lane.

Go south on Waters Avenue or go south on the Truman Parkway until Diamond Causeway. Exit and turn Left. Go to the first stop light. Take a right onto Ferguson Avenue. Take a left onto Lehigh Avenue, which is about .1 mile after you turn. Go almost to the end of Lehigh Avenue. Take a left onto Shipyard Lane. My house is the last one at the end of the street. #5. It is a yellow low country style house.

(If you go to the end of Lehigh, you will dead end into Shipyard Road. You have gone too far. My cell # 912 6633082 if you need more directions to 5 Shipyard Lane

Please save this and return the second page with your deposit.
