Dear Parents & Students,

Over the last several years we have seen an increasing need for students to integrate **SERVICE** into their daily lives. Many children today often focus on what can be done for them rather than what they can do for others. As part of our Christian formation, students in grades 6, 7, and 8 will be required to share their gifts through service for others.

Service hours are **mandatory** and must be completed in all three categories: Local, School, Home Communities. Students must acquire the minimum number of hours to satisfy the requirements. This is the responsibility of the student, though we ask the parents for support. **Students will RSVP** to the coordinator for service events offered and manage their own Validation Document with hours and signatures as required.

The service-hour guidelines are listed below:

**8<sup>th</sup> Grade – 40 hours** **DUE FRIDAY, MARCH 11**

20 hours from Community  
10 hours from School/Parish  
10 hours from Home/Neighborhood

**7<sup>th</sup> Grade – 30 hours** **DUE FRIDAY, APRIL 1**

10 hours from Community  
10 hours from School/Parish  
10 hours from Home/Neighborhood

**6<sup>th</sup> Grade – 20 hours** **DUE FRIDAY, APRIL 29**

5 hours from Community  
5 hours from School/Parish  
5 hours from Home/Neighborhood  
5 hours from any category of student's choice

Service will be a strong component of our leadership work. We hope that service will become a part of our students' value system and look forward to working with them on this important endeavor.

Sincerely,  
Lynn Brown  
Principal
